DIAMOND TOWER

My name is Drew Forrester with The Diamond Tower. My father and I have been serving the public's fine jewelry needs for over 27 years. Our constant benchmark has been finer quality at a better value through volume buying, a family-style atmosphere, and 100 percent satisfaction guaranteed always.

Whatever the need — from sterling-silver offered at \$10 and under to platinum, diamonds, estate jewelry and colored stones priced at \$10,000 and up — you will always be assured of the best value for your hard-earned money. Visit our 4,000 square foot showroom and you will never pay inflated prices for quality again.

Our friendly staff is eager to assist you with that one-of-a-kind gift for that special person in your life. Each piece of fine jewelry is hand-selected with the same exact care you would take yourself. We take all of your needs very seriously here at **The Diamond Tower**. From the repair of that special heirloom piece that you can't trust to just anyone to that intimate anniversary gift that says you would marry her all over again, we are proud to take your trust in our hands and show you why we are a cut above the rest.

Stop and visit, have some coffee or a cold drink and stay awhile. We are excited to serve East Ridge and, and we look forward to forging life-long relationships with our customers and our community.
